Meeting open: 2.00 pm

Attending: Karen Ingram, Christie Clarke, Rachael Payne, Kylie Parks, Carolyn Nugent

Apologies: Naomi Smith, Christine Jolley

Agenda Soft fall and Sandpit Sand
Sports Shed
Spring Working Bee
Principals Report

Minutes Accepted

Agenda Items

Sandpit/Soft fall

Mrs. Nugent asked if the P&C would consider organising and paying for new sandpit sand and soft fall for the play equipment. The P&C discussed and approved a budget of \$600.

Approved 1st: Christie Clarke
2nd Kylie Parks

Sports Shed

Last meeting saw quotes tabled by Christine. Kylie will take the information and ask Dave his opinion, Dave has put up sheds in a previous job. The gas tank will be emptied and removed within the next 4 weeks.

Spring Working Bee

A spring working bee was scheduled for Saturday, 26 October starting at 10.00am; the P&C will put on a sausage sizzle. Areas that need to be looked at are: gardens around Mrs. Jennings classroom, the front of the office gardens, the front of school garden, toilet block garden. Karen will organise the working bee including plants. A budget of \$500 was set a few meetings ago for the garden/vegetable garden; there is still money unused from that budget. Next term phase 2 of the vegetable garden should commence.

Principal Report

A great response has been seen for the after school program. Tennis will be held either Tuesday or Wednesday from 3.30 to 4.30 with an afternoon tea provided. It runs for 7 weeks and is free. Mrs. Nugent will stay for supervision. The staff has been working together on their mission and vision statement. The system has been mapped and from that procedures will be looked at and developed.

Mrs. Nugent tabled a copy of the Helix CSIRO magazine; this may be something

that the P&C can subscribe to for the students. Something to keep in the back of our minds.

Orientation - The flyer for orientation has been done. Orientation will start on Friday, 22nd November. Organisation of the day was discussed. Mrs. Nugent asked if the P&C can ask Christine if she would be able to speak to the parents on the 1st orientation and could the P&C cater for this morning tea and the school would cater for the 4th orientation. The P&C will organise gift packs for the new kindys for the 4th orientation, Kylie will put them together.

Building for schools - A kitchenette is being put in for the teachers in the staff room and a hand basin is being put in the canteen.

IPad docks - The Sync and Charge devices have arrived, they are wonderful. Thank you to the P&C for donating funds so that the school could purchase them
Elective night - Term 4 will see an elective night held which will feature the digital stories that were made, the band, and food prepared by students.

Wolumla Public Parliament - Bill of Exclusive area for senior students - Whilst having our P&C meeting, Sam Jolley tabled a document from the Year 6 students entitled "Wolumla Public Parliament - Bill of exclusive area for senior students". The Bill was asking the Senate (P&C) and the Queen (Mrs. Nugent) to approve an exclusive area that the Year six students could use. The Bill was discussed and the Senate chose the area behind the play equipment (which used to be the vegetable garden) as an appropriate area. Karen is to reply to this Bill.

Other Business

Father's Day Stall -The Father's Day stall went well with lots of wonderful gifts provided yet again. A big thank you to Naomi Smith for pulling it all together.

Disco -The P&C asked Mrs. Nugent if the SRC are intending to hold a Disco in Term 4. The SRC will meet and discuss in Term 4.

Meeting closed 3.15pm

Next meeting: Not Scheduled
