

WOLUMLA PUBLIC SCHOOL P&C NEWS TERM 3 2015

Open Day!

We are really looking forward to our open day tomorrow. It's our time to showcase our beautiful school, enjoy a cuppa and see our children's work.

It's also canteen day so why not order canteen and enjoy lunch with your child. We have some fantastic super specials this week for you to enjoy. We hope to see you all there!

Canteen News

Our canteen is going great guns! The food is great and the kids love it. Occasionally we will have a theme day which the kids and the volunteers get very excited about, so much fun is had.

Just a few housekeeping things to mention to you. Please try to have the correct money in your child's order. If you can't that's ok, but it does make the process much easier. *However, please try not to short change the canteen.* Recently there have been lunch orders that are regularly short of money. We have overlooked this for now but it cannot keep happening.

Wanted –We are looking for a few items for our canteen kitchen. Do you have unwanted trays, mixing bowls or a large port you could donate? Please drop them into the canteen. Thanks in advance.

We need more canteen volunteers, it's as simple as that. The current volunteers are stretched to capacity. If just a few more parents or even a grandparent or aunty or uncle could volunteer just once a term the workload would be spread more evenly. At this stage we have the roster worked out until the 13th of August. If you can volunteer for a day (or even half a day) please call Karen on 0421 417 596.

Our shed is completed! A huge thank you goes out to Pippa Boyton who was the main P&C organiser and to Wayne Trezise for doing a fabulous job of building it. Our shed looks fantastic and we can't wait to have it filled with our wonderful sports equipment.

For a sneak peak, come up during Open Day. We will be having an "Official Opening" of our fantastic shed.

What's coming up this term?

Father's Day stall.
Our fantastic father's day stall will be held on Friday the 28th of August.

Disco fever.... Keep your eye out, details are yet to be decided but we can feel a disco coming up for the end of term 3.

A big thank you to Naomi Smith for many years of organising fantastic mother's and father's day stalls. Unfortunately due to other commitments Naomi will be unable to do this for the P&C any longer. So we are looking for somebody who may be interested in organising this fundraiser each year.

Please call Karen on 0421 417 596.
