

Community Values:

This is a 'community' school in every sense. Every child knows every other child, and the Principal and Teachers also know every child, their strengths and individual needs.

Parent Participation:

We have an active but relaxed P & C Committee, and are in the process of establishing a sub-committee called the Coffee Club to enable parents who can't attend evening meetings to participate in P & C activities.

This flyer was produced by the Wolumla Public School P & C, supporting your local school in your local community.

**AN INVITATION TO
EXPLORE WOLUMLA
PUBLIC SCHOOL DURING
OUR EDUCATION WEEK
“OPEN DAY” ON
THURSDAY, 5th AUGUST**

Growing, expanding, building,
offering more than ever
before.

Take a minute to read about
everything on offer at our very
own public school here in
Wolumla, a '**Community
Values**' school where your
child is known and
appreciated as an individual.

Hello Wolumla Families,

See our brand new classrooms at our “**OPEN DAY**” on Thursday, 5th August.

The day begins at **9:30am** with a **Kinder 2011 Morning Tea** in the K/1/2 classroom. This is a chance for next year's Kinders and those families considering Wolumla Public School to meet Mrs. Bartlett, see the classroom and speak with parents from the P & C and Coffee Club.

For the rest of the school community there is a demonstration at **10.00am** with 5/6 teacher, Sue Jennings, on how the **interactive whiteboard** works, followed by an assembly at **10:30am** showcasing our **Music Program** and our extremely talented children performing their Music Festival items. Families can then explore the open classrooms during recess.

More exciting Academic, Arts and Sports programs are now offered in the school.

Academic Programs:

- ♦ Programs that cater for Gifted and Talented students are designed to challenge and explore their capabilities in their area of interest and excellence.
- ♦ Staggered learning tasks allowing children to work and achieve at their own level.
- ♦ Explicit teaching of Thinking Skills to promote higher order thinking.
- ♦ Boys' Education and Girls' Education programs.

Sports Programs and Opportunities:

- ♦ Weekly netball competition.
- ♦ Attendance at various sporting Gala Days.
- ♦ Daily fitness Program.

Music & Arts Programs:

- ♦ Children enjoy Music Tuition, Choir and we have a school Rock Band.
- ♦ The school also offers ongoing Visual Arts, Drama, Media and Creative Dance classes.
- ♦ Participation in the South Coast Learning Community Music Festival.

Student Directed Programs:

- ♦ Chess & Connect Four Clubs.
- ♦ Story telling activities in library.
- ♦ Student Representative Council.
- ♦ Peer Reading.

Information Technology:

- ♦ Interactive Whiteboard and Video Conferencing.
- ♦ Computers-both laptops and desktops in classrooms.
- ♦ ICT Skills used across the curriculum.
