

# Welcome to Wolumla Public School Canteen

## Open Thursdays

### Hello & Welcome to the Wolumla Canteen

We are looking forward to providing your children with a delicious & healthy recess & lunch. At the Wolumla Canteen we aim to provide students and staff with a variety of foods to satisfy their needs for adequate nutrition throughout the day.

We welcome all comments and feedback and are happy to take all suggestions on board. We are always looking for helpers, who can spare an hour or two on a Thursday to help out in the canteen, your kid's eyes will light up when they see you through the window!

Due to circumstances beyond our control at times some items on the menu may not be available but we will always endeavour do our best.

### Ordering Procedure

Clear & precise orders and the correct money in your child's paper bag ensure they don't miss out! Children can be fussy (we know!) all you need to do is write on the bag clearly what they DO & DO NOT want. We are more than happy to cater to all children with special needs so please see one of the parent helpers before recess on Thursday.

We are happy to give change from lunch orders to your child at recess however it then becomes their responsibility.
